Objectives of the meeting:

1. To define each partner's role in the implementation of remaining project's activities, especially for the activities to implement until April 2017 (when the next international meeting will take place).
2. To start planning and defining the Learning/Teaching/Training Activities.
3. To generate ideas to increase the impact and sustainability of the Project.
4. To detect and work on the obstacles and challenges of the Project: increase stakeholder participation and improve project's dissemination.
